A great way to end the school year for us and a lot of positives for all to take away and build on"

School Group: " (The instructors were) All really friendly and couldn't do enough to help, also focused on vales of teamwork and persevering etc not success of activity e.g reaching top of climb. A massive thank you to everyone, we all had the best time"

Youth group: "We like to bring our younger residents along every year as we have been doing this for a few years now and it's a great success with the children for a variety of reasons, i.e. it's great fun, educational and gets them involved in things that they may not normally get the opportunity to do"

RAF St Mawgan: "The flexibility of the team at BF Adventure is the reason why we keep on returning. All the staff listen to our needs and react to our requirements in a positive manner and provide a great service.

The support we have received from the charity is phenomenal and we would highly recommend any group or company use them"
