

Arena Offer - Description as 2017/2018

Background – Who are Arena?

Arena is a successful School Sports Partnership which was established in 2011, as a legacy of the Callington School Sport Partnership. We have been successfully developing and delivering PE and School Sport support programmes to schools in North and East Cornwall and beyond for the past 6 years. We have a team of experienced, enthusiastic and dedicated primary practitioners who specialise in PE and Outdoor Learning. We can provide a range of high quality bespoke packages to meet the needs of your school.

Physical Education Support

Lesson Observation Package - Whole Day £450

Do you know the quality of the delivery of PE in your school? This package will provide you with a day of PE lesson observations in your school. The observations can take place alongside your Headteacher and/or your PE co-ordinator. You will be provided with a whole school report as a result of the observations and advice and support on the delivery of PE in your school.

Teaching and Learning in PE curriculum – Team Teaching and Planning Whole Day £450 or Half Day £250

We will provide a planning session/s in a curriculum area of your choice. A specialist PE teacher will plan with a teacher/s and will then deliver a session/s of a unit together with the teacher/s.

Teaching and Learning in PE curriculum – Assessment and Schemes of Work Whole Day £450

We will provide a day of support for the whole school focusing on the implementation of the Arena new SOW and effective curriculum planning and assessment in PE to meet the needs of your school.

Arena MOT in PE - Whole Day £450 or Half Day £250

Is PE in your school high quality? Do you know the next steps you need to take? We will provide a day of support which you can design to meet the needs of PE in your school. This can include demonstration lessons, joint lesson observations, action planning and curriculum mapping. We will create a bespoke package to meet the needs of your school.

PE Subject Leaders Award - Four Day Course £550

The aim of this qualification is to up skill primary PE subject leaders to lead in the delivery of High quality PE within a primary school setting. This is a 4 day course which will focus on the following areas: The importance of Primary PE, Pedagogy in Primary PE, Leading teaching and Learning and sustainable improvement. This is an accredited qualification.

A bid in a day – Whole Day £450

Does your school need support and help to access funding? Do you require advice and guidance on what funding is available and how it could support your school in the development of a project? We will build and put together the initial stages of a funding bid for you and will support you through the process to a successful application.

'Arena has worked with my school to provide inset which was innovative. Arena staff delivered an outstanding lesson which inspired pupils and gave teachers the confidence to teach dance'. Primary Headteacher

'Arena delivered a course which was informative with pacy learning and good handouts to support subject leadership. Arena has staff who are well informed and approachable course leaders'. Primary PE Co-ordinator

Raising Achievements

Background - Wild Tribe Outdoor Learning

Based on the principles of forest schools, the Wild Tribe Outdoor Learning programme has been designed to meet the needs of a modern day primary school. This is aimed at schools who are keen to use their outdoor space in a fun and interactive way. The programme successfully meets the needs of the curriculum and provides teachers and teaching assistants with the tools to use the outside in an innovative way with children, teaching them to manage challenge and risks safely. We have a range of units of exploration available for teachers and children to explore. [Click to watch Wild Tribe in action](#)

Wild Tribe Day - Whole Day £450

A day in the outdoors delivered through maths, literacy or a topic of your choice. This experience will engage all children and provide you with the opportunity to experience new ideas and observe your children taking part in interactive activities at the same time as learning key skills.

Beach Tribe Day - Whole Day £450

Building on the success of Wild Tribe we will deliver an outdoor learning experience at the beach. We will plan activities linked to literacy, numeracy or your current topic area. Your pupils will be given the opportunity to take part in fun and interactive tasks in a fantastic outdoor classroom, this can also include a variety of beach sports.

Wild Tribe Ranger Day – Whole Day £450

Do you have an area of your school grounds which is in need of developing? Would you like your children to be involved in the reshaping of the area for outdoor learning but don't know where to start? Call in one of our Wild Tribe Rangers, they will work with your children in developing the area so it can be used for a range of outdoor learning opportunities.

Wild Tribe Practitioner Award Whole School Training – Two Day Training Course

Are you keen to embed outdoor learning whole school? Do you have a number of staff who would like to train in outdoor learning but have limited time? The 'Wild Tribe Practitioners Award', is a 2 day training course which we can deliver for your school or for a number of schools in your Trust/Academy. We will provide all the equipment and resources that are required. We will also provide an assessment package for teachers who wish to be gain an accreditation for this training. Price based on number of teachers attending and the needs of the school/MAT - As a guide: 20 teachers £2500

Wild Tribe Whole School Inset Training Day in Outdoor Learning - Whole Day £450 or Half Day £250

Do you want to embed outdoor learning across the whole school? We can provide a bespoke whole staff training day in outdoor learning. This could be based on skill development, ideas on linking schemes of work to the outdoors or how to set up an outdoor classroom. We will deliver a training day to meet your school's needs.

Healthy Active Lifestyles Sugar Smart

In response to a significant increase in the rise of both obesity and diabetes in children we have developed a range of programmes for 2017-2018 which are all aimed at encouraged children to become Sugar Smart.

Sugar Smart Minis

This programme is aimed at children age 4–7 (Key stage 1). It can be delivered through a range of sports including tag rugby, dance, balanceability, mini tennis and mini fencing. This can be delivered as a 2 hour session curriculum session or a 1 hour curriculum time session with a 1 hour after school or as an after school club. The aim is to teach children in a fun and interactive way to be Sugar Smart at the same time as engaging in fun sports activities. Children will be awarded a certificate on gaining Sugar Smart Mini status.

Bronze: 6 week course (1 hour curriculum plus 1 hour after school) - **£400**

Silver: 12 week course (1 hour curriculum plus 1 hour after school) - **£750**

Sugar Smart Leaders

How Sugar Smart are the children in your school? Do they have the knowledge to make smart choices when it comes to choosing snacks, packed lunches or main meals? Do they regularly eat a balanced diet? This programme is aimed at teaching children to become Sugar Smart, organising activities for younger children/peers to encourage them to be Sugar Smart and promoting healthy choices and physical activity in your school. 1 day course – **£325**

Sugar Smart 30 – 30 Active Minutes per day

How can you increase the number of children in your school to be active for 30 minutes per day? Could you improve your outside/inside space to promote daily physical activity? Could it be included in your curriculum in an innovative way? We will spend a day at your school looking at ways to improve physical activity and how your school can increase the number of active minutes for your children. As a result we produce a report for your school which will include recommendations for next steps and guidance and support on implementation. **Cost - £450**

Sugar Smart Buddies -Will be available from Spring 2018

This programme is aimed at supporting you in engaging parents in the Sugar Smart programme. We will run a workshop or a number of workshops which will enable your children to work alongside their parents in a fun and interactive way, promoting parental engagement at your school together with health and well-being with the ultimate goal of producing Sugar Smart buddies to support your children to become Sugar Smart.

Half day workshop - **£250** (can be delivered as a twilight session)

Full day workshop - **£450**

Health and Well-Being MOT

What does health and well-being look like in your school? Do you know the next steps you need to take? We will provide a day of support in your school which you can design to meet the needs of H&WB in your school. This can include pupil/staff conferencing, health audits, curriculum mapping, support in developing health and well-being days/weeks, activity plans to increase 30 active minutes for your children and guidance in accessing accreditation and/or funding for your commitment to health and well-being. **Cost - £450**

Alternative Sports Days Plus

We can support your school in the delivery of an innovative Alternative Sports Day Plus which will include a range of adventurous activities including: indoor archery, cardio tennis, bubble footballs and zorbs. The Alternative Sports Days Plus can also be targeted at focus groups: Girls Only, Service Pupil Premium, Disengaged Pupils or Pupil Premium. A day of activity will usually be a one off charge of **£450**. However, we will negotiate this with individual schools.
