| 11.15 am | Joan Low – Leadership in the 21st Century |

Joan Low is a leader and a strategic thinker, with over three decades of teaching experience. She has considerable experience of working with leadership teams and schools to 'close the performance gap', analyse data and to build sustainable solutions. She has worked extensively with schools in Norfolk where she is a member of highly successful Norfolk Better to Best Team. She works with five different MATs across the Country in school improvement roles and has particular expertise in undertaking Pupil Premium reviews.

Joan will look at how to successfully navigate school leadership in the current climate and find creative solutions to the challenges faced. Joan will share real life practical examples of when things go right, and wrong, and how to stay focussed on improving outcomes for children and young people.
