

## What We Can Offer to Educational Settings

### Consultancy Services:

- Advice on SEN reforms relating to the Children and Families Bill 2013, including the SEN Code of Practice
- Support with Provision Mapping and monitoring the impact of interventions
- Support with writing SEN policies, protocols and your School Offer
- Pre-Ofsted Audit
- Advice on Data Management for SEN and Vulnerable Groups
- Support with Transitions from Key Stage to Key Stage
- Advice on quality first teaching to support SEN pupils
- Support with developing positive Parental Engagement

### Assessments:

- Cognitive Ability Tests
- Comprehensive Behavioural Assessments
- Autism Screening Assessment
- Sensory Profiling
- SpLD Assessments
- Access Arrangements testing for GCSE/A-Level (PAPAA qualification)
- All assessments include a full written report with recommendations and strategies for teachers, students and parents
- Assessments include parental feedback

### Training:

- Early Years Foundations Stage, Primary and Secondary School, Academies, FE Colleges and Charities
- Multi-Academy Trusts and Federations
- Special Schools and ARBs
- Whole school INSET—full day, half day, Twilight and Staff Meeting
- Bespoke training for teachers, support staff and school leaders
- Parental workshop sessions
- ITT , NQT & SENCo training available
- Specialists in SpLD eg Autistic Spectrum Disorder.
- Based on up-to-date research.

### Bespoke Packages:

We offer bespoke packages for individual settings, Multi-Academy Trusts, Federations and clusters. You could, for example, buy a 6 day package, one day per half term, that can be used for assessment, training and consultancy as required, enabling you to choose how to use our services to your best advantage.

Alternatively, you can book our time for individual requests, as and when you need us. The choice is yours. We are flexible in what we can provide and will tailor a package to suit your needs at a competitive price.
