

PREVENT MONTH OF ACTION – NOVEMBER 2026

* = Session offered on two dates

Throughout November 2026, local authorities across the South West are delivering a programme of free online training and webinars as part of our Prevent Month of Action.

Open to staff from statutory services and civil society organisations, the programme aims to increase understanding of Prevent, how it operates across the region, and how we can work together to safeguard individuals from radicalisation. It is an opportunity to develop your knowledge, strengthen safeguarding practice, and share learning with colleagues from across the South West.

5th Nov, 5:30–6:45pm & 23rd Nov, 12–1:15pm*
