

# STEM AMBASSADORS

Bring STEM subjects to life in your classroom

STEM Ambassadors give up their time to inspire young people's curiosity and engagement in science, technology, engineering and mathematics (STEM) subjects. From scientists to designers, technicians and engineers, there are over 30,000 volunteers across the UK.

## BENEFITS FOR TEACHERS

- proven impact on you and your students
- can support the curriculum
- free of charge
- save your time
- registered and disclosure records checked

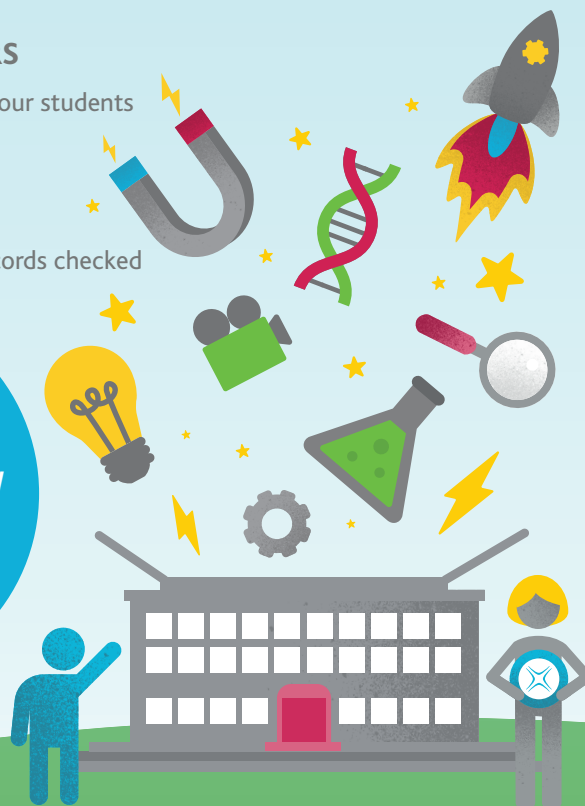

*"Engaging with STEM Ambassadors enables students to see the variety of careers and opportunities available to them."*

Emma Russo, Head of  
Key Stage 3 Science

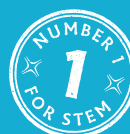

## ACTIVITIES YOU CAN DO:

STEM Ambassadors get involved in a variety of activities including:

-  CAREERS EDUCATION
-  CLASSROOM ACTIVITIES
-  FESTIVALS AND FAIRS
-  JUDGING A COMPETITION
-  MENTORING
-  STEM CLUB ACTIVITIES

Create a new world of opportunities for your students

# FREE RESOURCE FOR TEACHERS

Create a buzz about STEM in your school or college by working with STEM Ambassadors:

**89%** increase in students' understanding of why STEM subjects are important

**81%** increase in your understanding of STEM business and industry

## LOCAL TO YOU

Our network of STEM Ambassador Hubs across the UK are available to support you. Benefit from their local expertise, opportunities and support.

## HOW DO I FIND A STEM AMBASSADOR?

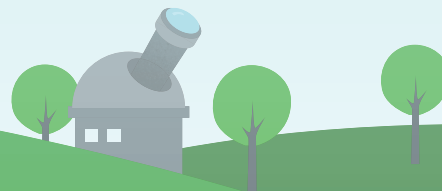

**1** Register on [www.stem.org.uk](http://www.stem.org.uk) and add an activity on your online dashboard

**2** STEM Ambassadors who match your request will get in touch to see if they can help

**3** Communicate through the integrated messaging tool to arrange the details for your activity.

Start your journey today [www.stem.org.uk/stem-ambassadors](http://www.stem.org.uk/stem-ambassadors)
