

**Dear Colleague**

**Re: EYFS 2021/22 Moderation Invitation** Monday 22nd November 3.30pm-4.30pm

We would love to welcome teachers/head teachers to participate in an Early Years moderation session at **Egloskerry Primary School**. As you will know there is no LA moderation this year however the use of moderation can be incredibly useful for high quality outcomes. Therefore, we would love to host an informal session for teachers, this will be a fantastic opportunity for teachers to share a consistency of judgements and to form part of teachers' continuing professional development.

If you would like to attend please can you email [aflashman@egloskerry.net](mailto:aflashman@egloskerry.net) with your confirmation.

To get the most out of the moderation we would be grateful if you could bring the following:

- Evidence of **two** children working below the expected level and **two** children working at the expected level in reading, writing and maths. This could be in the form of observations/learning journeys/topic books etc.
- 'Bring and Brag' one or two examples of what is working well in your classroom at the moment
- Any positives you are enjoying about the new framework and any challenges you have come across

Thank you so much for taking the time to read this invitation - we really hope you can make it!

***Many thanks***

***Abi Flashman***  
***EYFS and KS1 Lead***
