Social, Emotional and Mental Health

Become a Mental Health First Aider (MHFA)

A two day workshop.

The Youth MHFA course is an internationally recognised course designed specifically for those people that teach, work, live with or care for young people aged 8 to 18 years.

The course provides information, tools and techniques to promote a young person's mental and emotional wellbeing and will enable you to support a young person experiencing mental and emotional distress.

Learning Outcomes:

- Spot the early signs of a mental health issue
- Feel confident helping a young person
- Provide help on a first aid basis
- Help protect a young person who might be at risk of harm
- Help prevent issues getting worse
- Guide a young person towards the right support
- Reduce the stigma of mental health issues

Contact us to find out more, reserve your place or to discuss how we can deliver this course direct in your school, academy or MAT.

Attachment Based Mentoring

A three day workshop, plus a follow up supervision session.

The course draws together research from the fields of attachment, solution focused coaching and mentoring. It aims to train staff to meet the specific needs of vulnerable children by providing them with a significant adult in school who is able to use coaching and mentoring to support their development.

Learning Outcomes:

- Understand the needs of vulnerable children and how they can find it difficult to engage with learning
- A model of mentoring for vulnerable children
- Consider the mentoring relationship in terms of meeting the attachment needs of the child
- Skills to use solution focused coaching and mentoring
- The role of the mentor in terms of social learning, advocacy and practical support
