

Wild Tribe Outdoor Learning Conference

Thursday 31st March 2022

STARTS, Upton Cross PL14 5AZ

Key Note Speaker – Dr Sara A Collins

Campaign co-ordinator for The Nature Premium

The Nature Premium proposes a government funded, statutory requirement for schools to take children regularly into nature, giving children the agency to face three of the biggest challenges we face: the climate emergency, biodiversity and mental wellbeing.

**‘An idea whose time has
come’**

0845	Registration and Refreshments		
Opening 0900-0930	The Nature Premium: An idea whose time has come Key Note Speaker: Sara Collins–STERTS Theatre		
Workshop 1 0930-1100	Sustainable Leadership	Straw Skep Weaving	The Nature Premium
Workshop Details	How do we embed outdoor learning whole school? We will take a look at the Wild Tribe subject leaders award to upskill staff and you will gain an insight into the Rangers, Skills Achievement and Earth Tribe awards which all support the delivery of outdoor learning across the school	Learn the history and technique of a traditional craft. Straw skep beehive and basket making. Double length workshop	'Connecting children with nature is one of the most important things we can do for them.' The Nature Premium is an idea whose time has come. The campaign proposes to transform a generation disconnected from nature. Find out how your school can get involved.
Workshop Deliver	Michelle Roberts	The Family Foraging Kitchen	Sara Collins
Workshop Venue	STERTS Studio	STERTS Theatre	STERTS Outside
1100-1130	Refreshment Break		
Workshop 2 1130-1300	Sustainable Curriculum Ideas	Straw Skep Weaving	Blox's Building School Resource Construction
Workshop Details	In this workshop you will develop a tool box of ideas through the delivery of science and maths in the outdoors. We will focus on how these two core curriculum areas can be delivered in an innovative and sustainable way	Learn the history and technique of a traditional craft. Straw skep beehive and basket making. Double length workshop	Here at Blox's building school you'll upcycle a number of items which you probably already have lying around your school grounds and use natural materials to construct resources and installation features for supporting outdoor learning in your school site. Best of all, you'll leave with tips and techniques to get the children tooled up and constructing. Let's build it!
Workshop Deliver	Mark Pickering	The Family Foraging Kitchen	Kayleigh Halifax
Workshop Venue	STERTS Outside	STERTS Theatre	STERTS Outside
1300-1400	Lunchtime and Wild Tribe Market Place Wild Tribe Resources Bank catalogue/ARENA packages and offers		
Workshop 3 1400-1530	Curriculum SOW resource box packages 'Nature's Poet's' and 'Pigeon Power'	Pyrography	Earthrise Together
Workshop Details	Half term curriculum unit overview, 6 individual lesson plans and <i>all</i> of the resources needed for delivery. Incredible and inspiring comprehensive outdoor learning packages ready to pick up and get the children outdoors!	An introduction to 'fire writing'. Tools, techniques and construction projects. Master a new skill to teach children in your outdoor learning sessions and pick up a resource box kit to get you started.	Now is the time to address the impact we are having on our fragile World as it crumbles beneath our feet. Together we will explore what is on our natural doorstep, participate in wild experiments, make some biodiverse gifts and dive deeper within ourselves in a search for our own Earthrise Values. This workshop will offer an insight into the rising Earth Tribe programme.
