## Get Cornwall Reading

Join the Kernow English Hub at our conference in partnership with:  
The Open University, The National Literacy Trust, Voice 21 and Reading Rocks

### The National Literacy Trust

Evidence-based resources, research, training, programmes and National Literacy Trust membership to make your literacy provision highly effective.

### OU - Reading for Pleasure

Reading for Pleasure is the entitlement of every child. Our research examined children's and teachers' reading lives, and established effective ways to support Reading for Pleasure.

### Voice 21

Oracy is a powerful tool for learning; by teaching students to become more effective speakers and listeners we empower them to better understand themselves, each other and the world around them.

### Reading Rocks

We are absolutely, totally and completely passionate about bringing the joy and the value of reading to all children. We care about educators and supporting them in being incredible ambassadors for reading.
