

**Does your
school have
a Data
Protection
Officer?**

Data Protection for Schools

Complete Support Package (outsourced DPO)

- Saves you time, money and effort trying to interpret the new complex and extensive legislation
- Expert advice and guidance to hand, helping you avoid huge fines and compensation claims for data protection breaches
- Access to a highly-experienced Data Protection Officer
- Ready-made policies, guidance and templates
- Avoids the need to recruit a dedicated data protection expert, or re-train (and qualify) an existing employee to take on the new legal duties

New Subscribers - Outsourced Data Protection Officer Subscription

New subscribing schools will benefit from our revised DPO Service, which includes:

- GDPR Assessment Audit with a full report and action plan
- Creation or review of RPA log (Data Mapping Inventory)
- Telephone and email advice helpline
- Complaints management
- Handling ICO correspondence
- Termly reporting to the school's SLT
- Provision of regular compliance reports
- Refresher training to staff and/or governors
- Staff awareness training PowerPoint
- Revised policies, templates, posters and bulletins

Prices start from £3,550 per school. MAT and federation packages are available from £2,150 per additional school.

Outsourced Data Protection Officer Annual Subscription – RENEWAL

Prices start from £2,350 per school. MAT and federation packages are available from £1,325 per additional school.
