CAPH member offer

CAPH members receive a discount on annual website costs.

Why choose us?

The eSchools team will support you throughout the set-up process and beyond, to ensure you are getting the very best from your website. Through your input, we will strive to create a unique and striking design to best showcase the activities of your school. Our easy to use tools and training will give you confidence to manage and add content.

Consult

We'll determine your needs and offer a range of options for you to decide the best way to promote your school

Design

We'll work with you to ensure the website and/or VLE matches your expectations; you're in control of the look and feel of your product.

Build

Once you have approved your design we'll put it all together ready for you to add the content as you need to.

Care

You'll receive training on how to use the content management system, and we'll continue to look after you once your product has been delivered.

Pirate FM Education and Training provide bespoke media workshops to schools, using media as an engagement tool to boost skills, raise aspirations and improve self-esteem. Our workshops support the curriculum and core themes. They can also be used for celebration and reward days or to create marketing material for schools. We also offer media training to teachers and schools and opportunities to advertise and promote schools' through Pirate FM's multi-media platforms.
