

# Cornwall Primary STEAM Conference 14th February 2020

## Early notification - BOOKING DETAILS TO FOLLOW SOON

An unrivalled opportunity for Primary STEAM CPD, to hear from experts and for support enabling your school/trust to implement an exciting and challenging broad and balanced STEAM curriculum. This conference aims to kick-start a powerful Cornwall Primary STEAM network.

There are two venues for the conference and an option of attending in the morning or afternoon. It is suitable for Science, DT, Maths and Arts leads, all Primary teachers and Heads as well as whole staff INSET.

### Outline of each half day session

- National keynote speaker
- A market place of businesses and organisations to support STEAM in schools and make contacts
- Ready to use STEAM projects, demonstrated and ready to take away to use in school
- Coding for beginners, subject leader training, OFSTED advice, maths mastery, environmental projects, outdoor learning, computing, raising aspirations and much more
- STEM Learning, STEM Ambassadors, Primary Science Teaching Trust, Royal Society of Chemistry, Eden Project, and inspiring primary teachers

Nansledan School,  
Newquay
