# English Hubs

## Kernow

@ Trenance  
Learning Academy

Kernow English Hub is officially launching in January 2019. It is our mission to ensure that every child becomes a reader through supporting the teaching of early language and phonics and fostering a love of reading in all schools.

This year we can offer support by:

- **Hosting showcase events, highlighting best practice in phonics and early reading.**
- **Auditing the quality of early language and reading provision in your school.**
- **Working with schools to develop action plans for improvement.**
- **Providing funding to buy resources & training to support excellent teaching in early language and reading.**

To find out more please come to one of our showcase events on:

Wednesday 20th March

Wednesday 1st May
