MOCKINGBIRD HIGH

Mockingbird High School is empty and dark. However, in a locked-classroom, deep in the basement, a light still burns. Two pupils are conducting an unusual experiment - the trial of their Mother for neglect and abuse. If guilty, there's only one sentence – death...

MOCKINGBIRD HIGH is a compelling, lyrical exploration of the devastating impact of domestic abuse on young people and family relationships. An essential experience for anyone working in the field of safeguarding children, this original drama examines the 'cycle of abuse,' sexual bullying, patterns of abusive behaviour and the long-term impact on children.

Domestic abuse is an emotive subject. This drama deals frankly with these issues through its language and content. There will be an opportunity to step away should you need to on the day as well as access to support.
