

The Wild Tribe programme has recently been recognised by Ofsted at Holsworthy primary school:

'Teachers in the outdoor learning programme plan learning carefully so that it is matched to pupils' different interests and needs. Teachers manage risks well so that pupils can take part in a range of exciting activities that develop their self-confidence and self-esteem. Examples of this are campfire building, using tools and developing outdoor crafts. Teaching and learning in the 'Wild Tribe' area make a strong contribution to developing pupil's SMSC understanding'.
