

Schools Advisory Service

**Whole School Wellbeing
and Staff Absence Insurance**

01773 814 400 | sales@uk-sas.co.uk | schooladvice.co.uk

SAS are the Chosen Provider of Over 4,000 Schools and Academies Across the UK

Schools Advisory Service (SAS) are proud to be considered the **market leader** for Staff Absence Insurance in the UK. We are continually striving to **make a difference in education** by shaping the market and setting the standards for all to follow, offering the most flexible and unique cover to give schools the best value policy available.

As well as ensuring our schools are financially supported when absences occur, we have developed a service that includes **whole school wellbeing** to care for both staff and pupils, giving your school the best possible chance to succeed.

Recommended

Health & Wellbeing Services

- **Staff do not need to be absent from work to access the services. At SAS we believe prevention is better than cure.**
- **All services are completely confidential, clinician-led and managed by our experienced in house NMC registered Nurse Team.**

60% of staff actively remained in work while accessing our comprehensive health & wellbeing services

“I am the headteacher of a school and have not been ‘well’ for some time, about 2 years. I finished up in hospital and was diagnosed with gall stones in the summer holidays. I was told that my gall bladder needed to be removed, but that I could wait for up to 6 months for an appointment to see a consultant and a further few weeks for an operation on the NHS.

I contacted SAS, who were amazing. They were really helpful, friendly and efficient. I paid to see a private consultant the following week and had my gallbladder removed privately (fully funded by SAS) within a month of first contacting SAS. I am now fit and well, (I even played golf just 3 weeks after the operation) and now realise how tired and lethargic I had become.

I have a new lease of life and am enjoying and coping with my heavy workload much better.

Thank you SAS, I have my life back!”

Headteacher, Kelsale CEVCP

In 2018/19, SAS spent over **£4million on wellbeing services**

No other staff absence insurance provider invests as much in wellbeing services as Schools Advisory Service.

Private Medical Services **Over £500k**

“I had my Operation on Tuesday and am home recovering and feeling really really well. I am already decreasing painkillers and in no more pain post-operatively than I was before my operation! I am really hopeful that this will mean a much-improved prognosis now and can’t thank you all enough for making this happen!”

- **St Phillip’s School**

Physiotherapy Services **Over £1million**

“Your physio has done more for a member of staff in two sessions than her doctor did in six years!”

- **Oak Tree School**

Counselling Services **Over £2million**

“Your service was the only service that could help me. I felt like I had nowhere to turn. Your counselling service was amazing and really helped me through everything. The counsellor was fantastic and helped me see the positives in my life where I was really struggling to doing so. The counsellor helped me to understand that none of my problems are my fault and that it was out of my hands. She helped remind me that there were positives in my life and I would get better. Thank you so much for all your care and compassion.

- **St Michael’s School**

“Only by ensuring staff are well supported, can we expect them to thrive and deliver the best outcomes for everyone - pupils, parents and the colleagues they work alongside.”

- **Paul Farmer, CEO of Mind**

In 2019, our nursing staff supported over 13,600 people via the SAS nurse support line.

New to SAS Wellbeing for 2020

- **School Leaders Mental Wellbeing Toolkit**
- **School Leaders Pastoral Support Service**
- **Staff Wellbeing Surveys & Report Service**
- **Wellbeing Regional Networks**
- **Half Termly Wellbeing Newsletter – Blog & Vlog**
- **90 min Ofsted - Prep Top Tips**
- **Lesson Plans**

“In this year’s national research a total of 73% of classroom teachers reported being stressed.”

“A recent national poll shows that 78% of those surveyed feel that their school does not have sufficient mental health support for students.”

SAS are working to improve these statistics by striving to provide a harmonious balance of support for individuals and guidance for school leadership. Our whole school wellbeing services promote a culture of wellbeing and self-care in school communities.

Pupil Wellbeing Services

Designed with the **intent** to meet the new Ofsted criteria, and to help support schools in making the most positive **impact** possible on the wellbeing of pupils.

Over £2,600 of Pupil Wellbeing Services Available on our Policies

Pupil Counselling & Pupil Yoga:

SAS can also provide counselling support and yoga lessons for pupils of any ages
